

JATIN HEMRAJ JOSHI

Web Developer | App Developer

+91-9119586969 jatin20051112@gmail.com github.com/JatinJoshiJJ-TheNextGenDev

Summary

Passionate Web Developer skilled in frontend development, backend integration, database-driven applications, Progressive Web Apps (PWA), and mobile app development. Experienced in building modern, responsive, animation-rich web applications using React, Next.js, and advanced UI technologies. Focused on scalable architecture, smooth user experiences, performance optimization, and clean interactive interfaces.

Skills

Frontend: HTML, CSS, JavaScript, React.js, Next.js

State Management: Redux, Zustand

UI & Styling: Bootstrap, Tailwind CSS, Skipper UI

Animations & Interactive UI: Framer Motion, GSAP, ScrollTrigger, Locomotive.js, Swiper.js, Lenis, Shery.js

3D & Creative Development: Three.js, Spline

App Development: React Native, Progressive Web Apps (PWA)

AI & Modern Development: Prompt Engineering, Vibe Coding, Google AI Studio, Google Stitch, Google Antigravity

DevOps & Deployment: Git, GitHub, Docker, Kubernetes, Netlify

Projects

NEXOGEN – The Next Gen Design Agency

2026

Next.js, React.js, TypeScript, Node.js, MongoDB, Express.js, Tailwind CSS, JWT, OpenRouter AI, Recharts, GSAP, Three.js

- Built a full-stack AI-powered SaaS platform for modern digital agencies featuring secure JWT authentication, CRM-lite, ticket management, analytics dashboard, blog CMS, and AI-assisted workflows.
- Implemented intelligent features including AI chatbot (Nova AI), smart search, lead prioritization, AI insights, interactive charts, and protected role-based admin dashboard using MongoDB and OpenRouter.
- Designed an Awwwards-inspired premium UI with advanced animations, GSAP motion system, React Three Fiber 3D elements, PWA support, SEO optimization, caching, and production-ready deployment architecture.
- **Live URL:** nexogen-thenextgendesignagency.netlify.app

NEXOGEN AI – Code Editor

2026

React.js, Next.js, Electron, Node.js, Express, Tailwind CSS, SQLite, WebSockets

- Developed a premium AI-powered code editor with offline support, sandboxed multi-language execution (JavaScript, TypeScript, Python, Java, and C/C++), and real-time collaboration capabilities.
- Implemented an integrated in-editor browser preview system, enabling users to build and instantly visualize HTML, CSS, and JavaScript applications directly inside the editor.
- Built the platform as a responsive web application, installable Progressive Web App (PWA), and cross-platform desktop application with custom glassmorphism themes, local SQLite-based decision logging, and context-isolated Electron packaging.
- **Live URL:** nexogen-code-editor.netlify.app

NEXOGEN AI – Mock Interview Platform

2026

React.js, Next.js, Tailwind CSS, AI Integration

- Developed an AI-powered mock interview platform with responsive UI and modern dashboard experience.
- Focused on scalable frontend architecture, authentication flow, and interactive user experience.
- **Live URL:** nexogen-webapp.netlify.app

React.js, API Integration, Tailwind CSS

- Built a movie and series discovery platform with cast details, trailers, ratings, and streaming recommendations.
- Displays availability on streaming platforms and suggests related content based on searched movies or series.
- **Live URL:** scsdb-jj.netlify.app

NEXOGEN UI Library + Frontend Projects Collection

2024 – 2025

React.js, UI Components, HTML, CSS, GSAP

- Created **nexogen-ui-library**, an installable npm UI library for reusable components like buttons, cards, and navbars.
- Developed multiple frontend and animation-rich projects using HTML, CSS, GSAP, ScrollTrigger, Locomotive.js, and modern UI libraries.
- Open-source repositories available on GitHub for code exploration and learning.
- **NPM Package:** [nexogen-ui-library](https://www.npmjs.com/package/nexogen-ui-library)
- **GitHub:** github.com/JatinJoshiJJ-TheNextGenDev

Education

BBA (Computer Applications)

2023 – 2026

Choice College / Synergy School of Commerce, Pune

Completed (Result Awaited)

HSC (Commerce)

2023

Prestige Public School, Pune

87.50% — *Class Topper*

SSC

2021

Aruna Chaudhary Madhyamic Vidyalaya, Pune

85.60% — *Class Topper*

Certifications
